2:25 PM	Marshalling Boys 400m	400	NOTE: There's no denying that the 3-8 meets are VERY long and busy days. School buses will not be able to get all members of your team to and from the venue. The day cannot be shortened. It is your responsibility to ensure that proper care and consideration is taken on your end so that early kids get to the stadium and late kids make it safely home through alternative methods of transportation. We can't and won't be responsible if bussing is a problem for you. I hope you understand.
